A B O U T M E

A code enthusiast, aiming to enhance my working capacities and professional skills.

People find me to be an upbeat, self-motivated team player that can work under pressure. I write codes that would help other developers and share it to opensource community. I am currently looking for a better opportunity that would help me grow as well as I could share my ideas to the organization to provide them a good quality of service.

S K I L L S

E D U C A T I O N

Bachelor of Science in Information Technology
Centro Escolar University
2011 – 2015

E X P E R I E N C E
